

Reifenlabel gemäß EU-Verordnung 2020/740 für Ihr gewähltes Fahrzeug:

DUSTER Journey Blue dCi 115

Durch Klick auf das Label gelangen Sie zum Produktdatenblatt des Reifens.

The image shows a standard EU Energy Label for a tire. At the top left is the European Union flag. To its right is the word "ENERGY" in a bold, blue font with a lightning bolt symbol. Further right is a QR code. Below these elements, the brand name "BRIDGESTONE" is on the left and the tire identification number "21941" is on the right. A horizontal line separates this header from the tire specifications: "215/60 R17 96 H" on the left and "C1" on the right. The main body of the label is divided into two vertical sections. The left section, representing rolling resistance, features a vertical stack of five colored arrows pointing right, labeled A (green), B (light green), C (yellow), D (orange), and E (red). A black arrow labeled "A" points to the left, indicating the tire's rating. The right section, representing wet grip, features a vertical stack of five blue arrows pointing right, labeled A, B, C, D, and E. A black arrow labeled "B" points to the left, indicating the tire's rating. Above the wet grip arrows is an icon of a tire on a wet surface with rain clouds. Below the energy and wet grip sections is a section for noise, showing a speaker icon with the text "68 dB" and "ABC" below it. On the far right side of the label, the text "2020/740" is printed vertically.
