

Reifenlabel gemäß EU-Verordnung 2020/740 für Ihr gewähltes Fahrzeug:

Spring Expression ELECTRIC 45

Durch Klick auf das Label gelangen Sie zum Produktdatenblatt des Reifens.

The image shows a standard EU energy label for tires. At the top left is the European Union flag. To its right is the word "ENERGY" in a bold, blue font with a lightning bolt symbol. Further right is a QR code. Below these elements, the brand name "LINGLONG" is on the left and the number "609185" is on the right. A horizontal line separates this header from the tire specifications: "165/70R14 81 T" on the left and "C1" on the right. The main body of the label is divided into three sections. The first section, on the left, shows a tire and a battery icon, with a vertical scale of five colored arrows labeled A (green), B (light green), C (yellow), D (orange), and E (red). A black arrow labeled "B" points to the B position. The second section, on the right, shows a tire with a rain cloud and raindrops icon, with a vertical scale of five blue arrows labeled A, B, C, D, and E. A black arrow labeled "A" points to the A position. The third section, at the bottom, shows a tire and a speaker icon with sound waves, with a label "70 dB" and "ABC" below it. On the far right, the text "2020/740" is printed vertically.
