

Reifenlabel gemäß EU-Verordnung 2020/740 für Ihr gewähltes Fahrzeug:

Neuer Dacia Duster Essential ECO-G 100

Durch Klick auf das Label gelangen Sie zum Produktdatenblatt des Reifens.

The image shows a standard EU Energy Label for tires. At the top left is the European Union flag. To its right is the word "ENERGY" in a bold, blue font with a lightning bolt symbol. Further right is a QR code. Below these elements, the brand name "Hankook" is on the left and the number "1030174" is on the right. A horizontal line separates this header from the tire specifications: "215/70R16 100 H" on the left and "C1" on the right. The main body of the label is divided into two vertical sections. The left section, representing fuel efficiency, features a tire icon and a gas pump icon. It has a vertical scale of five colored arrows labeled A (green), B (light green), C (yellow), D (orange), and E (red). A black arrow points to the 'A' level. The right section, representing wet grip, features a tire icon with rain clouds and raindrops. It has a vertical scale of five blue arrows labeled A, B, C, D, and E. A black arrow points to the 'B' level. Below these two sections is a section for noise, featuring a tire icon, a speaker icon, and the text "70 dB" and "ABC". To the right of this section, the text "2020/740" is printed vertically.
